MI tutora adopts stringent security measures to protect your password from being exposed or disclosed to anyone. Only upon forgetting the password for its Application/Website or Services, MI tutora will have a right to reset the same for you with your prior approval as per standard web practices.

We collect and store the user's information which is provided by the user itself from time to time. Our primary goal is to provide the user with a safe, efficient, smooth, and customized experience. This allows us to provide services and features that most likely meet user's needs, and to customize our Website to make the user's experience safer and easier. More importantly, while doing so we collect personal information from the user that we consider necessary to serve this purpose.

The most important aspect of collecting information from the user, whether it is contact information, educational information, professional information, or any other kind is to contact and assess them to fulfill the main object of the website i.e. intermediation between the teachers and students.

We may disclose personal information if required to do so by law or in the good faith belief that such disclosure is reasonably necessary to respond to subpoenas, court orders, or another legal process. We may disclose personal information to law enforcement offices, third-party rights owners, or others in the good faith belief that such disclosure is reasonably necessary to enforce our Terms or Privacy Policy ; respond to claims that an advertisement, posting, or other content violates the rights of a third party ; or protect the rights, property or personal safety of our users or the general public.

AMS Group's will, at all times, provide the option to you, not to provide the Personal Information or Sensitive Personal Information, which it seeks from you. You can, at any time while using the Application/Services/products, also have an option to withdraw your consent given earlier to it, to use such Personal Information or Sensitive Personal Information.

In any such event, MI tutora's fully reserves the right to withdraw further usage of the Application/Website or provide any further Services/products thereunder to you.

In addition, the Application/Services may collect certain information automatically, including, but not limited to, **the type of mobile device you use, your mobile device's unique device ID, the IP address of your mobile device, your mobile operating system, the type of mobile Internet browsers you use, and information about the way you use the Application/Services.** However, these third-party companies do not have any independent right to share this information

Any portion of the Information containing personal data relating to minors provided by you shall be deemed to be given with the consent of the minor's legal guardian. Such consent is deemed to be provided by your registration with MI tutora.

Your email and password are never shared by MI tutora with anybody within or outside of MI tutora.

Non-Personal Information

The non-personal information does not identify you personally. We use this non-personal information to monitor the effectiveness of the site and products, to identify areas of interest, and to consider potential improvements to the site, apps, and products.

We use this information for purposes including but not limited to troubleshooting connection problems, administering the Website, analyzing trends, gathering demographic information, ascertaining how our visitors use our website, including information relating to the frequency of visits to our website, the average length of visits, pages viewed during a visit, ensuring compliance with the applicable law, cooperating with law enforcement activities, etc. This information is used to improve site content and performance.

By this Privacy Policy, you agree that MI tutora may gather usage statistics and usage data from your use of our Website to evaluate your use of our products/services, to improve our products/services and website content, and to ensure that you are complying with the terms of the applicable agreements between you and MI tutora. The statistics and data collected may or may not be aggregated. These statistics contain no information that can distinctly identify you.

We may disclose the provided information to third parties. This disclosure may be required for us to provide the user with access to our services and to make the arrangement between the third party and the user, to comply with our legal obligations, to enforce our User Agreement, to facilitate our marketing and advertising activities, or to prevent, detect, mitigate, and investigate fraudulent or illegal activities or misrepresented facts related to our Services.

How long does MI tutora retain user data?

Currently, MI tutora retains user data while an account is active and for at least three years afterward. It may alter this practice according to legal and business requirements. For example, it may lengthen the retention period for some data if needed to comply with law or voluntary codes of conduct. Unless otherwise prohibited, it may shorten the retention period for some data types if needed to free up storage space.
